

**Primrose School of Kennesaw North
Raises over \$3500.00 for Atlanta
Ronald House Charity**

Perfect weather on April 26th aided **Primrose School of Kennesaw North's** annual fundraiser for the Atlanta Ronald McDonald House Charities. Primrose families and members of the Kennesaw/Acworth community enjoyed a pancake & sausage breakfast/silent auction, along with many other child and family oriented activities. The Ronald McDonald House Charities builds and maintains homes near children's hospitals for families to stay in while their children are patients in the hospital

“This year’s fundraiser was our most successful fundraiser yet,” said Lisa Soukup, owner of **Primrose School of Kennesaw North**. “We are thankful to all of our Primrose families and local businesses who helped through their contributions, donations, and time for our event.” Fun activities throughout the morning included a delicious pancake and sausage breakfast, silent auction, professional magicians, moonwalk, Tumblebus, crafts, face painting, chair massages, vendor displays, a visit by McGruff the Crime Dog, and more. “We would like to especially thank our North Cobb High School students for supporting us in this event.” Students of Ms. Charlotte Penny’s class made handmade pillows that were given out during the drawings that took place throughout the morning. Other N.C.H.S. students helped staff the activities, including setting up a table to educate and inform parents about the harmful effects of second hand smoke to children.

Primrose School of Kennesaw North is very committed to their community service work. They believe it is important to educate Primrose children about the value of community service participation, and how their activities benefit others in need. This is all part of Primrose’s ‘Helping Hands’ Character Development Program that teaches children about compassion, caring, and sharing.
