Dear Paul:

I want to thank-you so much for your entertainment for my son's Bar Mitzvah on October 28<sup>th</sup>.

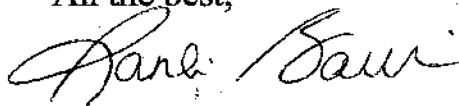

The crowd spoke for itself and raved about your magic as well as your professionalism. Everyone loved your magic, especially the multiple ball and coin tricks.

I wish that I were a guest at our event, so that I too could have enjoyed your magic!

I highly recommend you to anyone that wants an entertaining magician.

I'll book you again in April or May of 2009 for Ryan's Bar Mitzvah!

All the best,

  
Randi Baill
